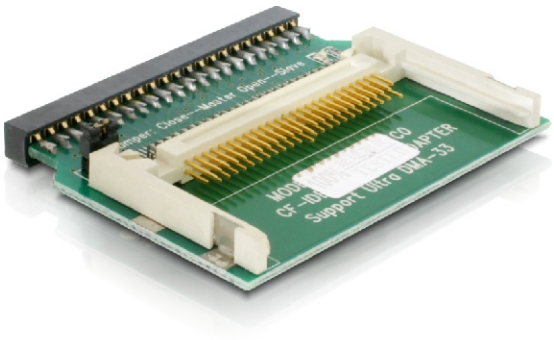
Card Reader IDE 44pin female to Compact Flash vertical



Description

This Card Reader by Delock enables the application of a Compact Flash card via 44pin IDE interface. Since this Card Reader is bootable you can also use it as HDD and install a operating system. The Card Reader can be plugged directly to a free IDE port on the Mainboard in vertical direction without using an additional connecting cable.

Ref. 91656

EAN 4046319916566
